

## Parent /Athlete Agreement

At Berean Christian High School, our goal is to communicate and partner with you, the parent(s). Many of the below statements have already been read and agreed to by you, the parent/Guardian, by signing the "Parent-Student handbook Conciliation Agreement form" before enrolling at BCHS. It is a privilege to participate in interscholastic sports at Berean and it is important that the athlete and parents understand the costs and risks of his/her chosen sport. Essential elements of team sports build character, life skills, friendships, work ethics, respectful conduct and opportunities to grow spiritually on and off the field. Please read carefully, sign and turn in the bottom portion. Failure to sign and turn in will give the school full authorization to discontinue the participation of the student athlete.

We commit to verbally honor and respect the game, opposing team, fans, officials, and players no matter what others may do.

We agree that the student will not use androgenic/anabolic steroids without the written prescription of a licensed physician.

We acknowledge that there are risks that are inherent in athletic activity, including the risk of serious injury or death that may occur through the conduct of the activity before, during or after.

We understand that if there is a problem or concern about anything related to the chosen sport the athlete will speak directly to the coach and work through the issues with the spirit of team building in mind.

Fees can be reimbursed within 2 weeks from the start of the season for students choosing to withdraw from the team. Personal team apparel is non-refundable. Students joining the team late will be required to pay the full sport fee if they desire to receive PE credit for playing.

We understand that lost or damaged sport equipment must be paid for by the athlete. **Any uniform and equipment checked out from the athletic department must be washed and turned in the week after the last game/competition. A late fee of \$1 per item per day will accumulate until all items are turned in.** Please refer to the Interscholastic Sports section in the Berean Christian Parent-Student Handbook (pgs. 27-30) for more information.

As a parent, I give permission (if applicable) for my child to drive him/herself to and from local practices and/or competitions and understand student drivers will not transport other students without a specific written permission slip from the rider's and driver's parents.

By signing the **Parent/Athlete Agreement**, we have read and understand the conditions for our child to play their chosen sport at Berean Christian High School and understand the requirements and risks involved. (Please turn in one copy to your coach and keep one copy for your reference.)
