

**BEREAN CHRISTIAN HIGH SCHOOL
2011 - 2012 Booster Club
Scholarship Application**

The BCHS Booster Club can provide scholarship assistance to any student athlete experiencing financial hardship or special needs. The scholarship is intended to help with sport fees and items the athlete is required to purchase to be on the team. It does not cover optional items.

For the Booster Club's consideration and criteria in granting the scholarship: (1) the applicant must maintain all necessary eligibility requirements for participation in their sport(s) and (2) the applicant and/or the family makes an effort to be an active Booster Club supporter and participant.

The annual Crab/Steak Feed and Auction is the fundraiser that funds all athletic fee scholarships. The grants would not be made possible without this important Booster Club activity. The Booster Club requires you and/or your family, the applicants, to help support the efforts of this endeavor. **Please select TWO of the following ways to help provide scholarships for our Berean athletes.**

- _____ 1. I / we will solicit and contribute 5 gift certificates/cards with a total value of \$100 or more
- _____ 2. I / we will provide a basket valued at \$100 or more (per scholarship)
- _____ 3. I / we will participate in pre-planning and executing the event with the Booster Club (attend meetings every 2nd Mondays until the event's conclusion)
- _____ 4. I / we will help wherever needed on the day of the event (February 5, 2011)

I/we, _____, am/are committed to help and will serve in the two areas checked above. Please contact Darryll Whaley, Crab Feed Chairman, darryllwhaley@gmail.com to follow through on your commitment.

Please also provide us with the following information and send to the school office in care of Craig Lee, Athletic Director. Families requesting assistance for more than one student must submit separate applications. All requests shall remain confidential.
