

## Student-Athlete Driver Form

There are several sports that practice off-campus during the spring season. They include golf, swimming, softball, baseball and track. We are asking that parents specifically give their child permission to drive other students.

I, \_\_\_\_\_, give my permission for my son or daughter to drive any of the following teammates to or from games or matches where there is no school transportation available. The student must be legally allowed to drive others, according to CA state law.

- 1.
- 2.
- 3.
- 4.
- 5.
